### **New Business:**

Our guest speaker was Jarrett Banks with Wahoo Innovations, Inc. The "Poledancer" is a revolutionary product, developed and patented by Rex Nobles (also in attendance), that makes light pole installation and maintenance a two-man operation. The product is easily transported to a site and setup is quick and easy. This product can greatly reduce costs normally associated with pole installation and maintenance. After a discussion and video presentation, the "Poledancer" product was demonstrated in the parking lot. For additional information, contact Jarrett Banks at 252-414-7786 (Office) or jarrett@lightpoledancer.com.

50/50 drawing was won by Dick Wrenn (\$27).

Motion to adjourn was made by Dick Wrenn and seconded by Jim Shoemaker. The membership voted for adjournment at 8:09 PM.
